GENERAL ORDER

THIS MATTER is before the Court upon its own motion.

The Governor of the State of North Carolina ("Governor Cooper") declared a public health emergency throughout the state in response to the spread of the Coronavirus (COVID-19) on March 10, 2020. The Centers for Disease Control and Prevention ("CDC") and other public health authorities advised taking precautions to reduce the possibility of exposure to the virus and slow the spread of the disease. The United States Bankruptcy Court took appropriate and necessary steps to protect public health by adopting measures that continued the essential role of the court by using various technologies to hold court remotely.

On May 13, 2021, Governor Cooper, by way of Executive Order 215, lifted the capacity limitations and social distancing requirements on businesses, and lifted the indoor face covering requirement on most businesses and operations.

In view of recent increases in the spread of Coronavirus (COVID-19), the United States Bankruptcy Court finds it necessary to revise aspects of this order to reduce the possibility of exposure to the virus.

NOW, THEREFORE, bearing in mind the importance of the essential role of the Court, The United States Bankruptcy Court for the Western District of North Carolina hereby issues the following order regarding court operations and hearings:

IT IS HEREBY ORDERED that public intake counters in the Asheville and Charlotte divisions of the Clerk's Office remain open to the public and observe the regular hours of 8:30 a.m. to 4:30 p.m.
