**ORDER ESTABLISHING METHODS OF PAYMENT FOR COURT FEES
AND FOR SATISFACTION OF ALL JUDGMENTS OF THE COURT**

This matter is before the court on its own motion to establish procedures for the proper payment to the Clerk of all bankruptcy court fees established pursuant to 28 U.S.C. Section 1930, and for payment in satisfaction of any judgments or orders of this Court. The Court has concluded that all such payments should be made in such a manner as to minimize the inconvenience of collection for the person or entity to whom the payment is tendered.

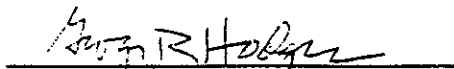

Based upon the foregoing, **IT IS HEREBY ORDERED** that any party who tenders payment of any bankruptcy court fees established pursuant to 28 U.S.C. § 1930 or any party who tenders payment in satisfaction of any judgment or order of this Court shall do so in such a manner as to minimize the inconvenience of collection for the person or entity to whom the payment is tendered. In furtherance of this policy, payment shall be made by check, draft, money order, currency and/or coin, or, to the extent permitted by this court's Local Bankruptcy Rules, bank credit card.

It is **FURTHER ORDERED** that when payment is to be made by currency and/or coin, the tendering party shall make such payment using the **LARGEST** denominations of such currency and/or coin as are possible, given the total amount of said payment. Violation of this Order shall subject the violating party to such sanctions as the court deems appropriate.

This the 24th day of September, 1990.
