JUDGMENT ENTERED ON AUG 05 2009

The Court has considered this matter and it appears that the procedure for payment of the balance owing as of the case file date for the allowed base fee for any attorney representing a Chapter 13 debtor in this District, as set forth in Local Rule of Practice and Procedure 2016-1(i)(3), should be amended for application in any case in which conduit mortgage payments are being disbursed by the trustee under the terms of the debtor's plan,

Based on the foregoing, **IT IS HEREBY ORDERED** that Local Rule of Practice and Procedure 2016-1(i)(3) be amended to read as follows:

"The trustee is authorized to make a lump sum disbursement at confirmation in payment toward the debtor attorney's base fee balance if the trustee has preconfirmation debtor payments available that are not required to be used for adequate protection payments; **for conduit payments that have become due prior to the entry date of the order confirming plan;** or for payment of the trustee's administrative fee."
